The purpose of this association shall be to encourage research, education, and promotion of all phases of production and marketing in the interest of the pecan growers of the State of Louisiana as a non-profit organization, and to promote pecans and related industries for betterment in the growing, distribution and marketing of pecans.

from Bylaws of Louisiana Pecan Growers Association

Membership in Louisiana Pecan Growers Association comes with several benefits. Members receive the quarterly newsletter by email free of charge, or by mail for an extra \$20. Members get a discounted subscription price for *Pecan South* and *The Pecan Grower* magazines, and discounted rates for conventions and workshops. Members can have one free classified ad in the newsletter and on the website, and discounted rates for other advertising. As the website is improved, there eventually will be areas available only to members. Of course there is also the satisfaction of knowing that you are helping the organization maintain the goals of education and promotion of the pecan industry. Our dues are much less than those of sister organizations such as Texas and Georgia.

For any questions about membership dues, please contact Stephen Norman at 318-448-3139 or lapecans1926@gmail.com.

The only requirement for membership is an interest in pecans!
